Alta Vista’s Subsidiary Completes its First Three Contracts.

Alta Vista Ventures Ltd. (CSE - UAV) reports that its wholly owned subsidiary, Pioneer Aerial Surveys, has successfully completed its first three contracts.

Pioneer Aerial completed these three aeromagnetic surveys using its proprietary UAV-MAG™ system. In excess of 900 line kilometers were flown, which resulted in $100,002 of revenue.

“This is an excellent start for Pioneer Aerial Surveys”, stated Jason Springett, president of Alta Vista Ventures, “we are very enthusiastic for how the rest of the year is shaping up.”

Moving forward, Alta Vista will be reporting Pioneer Aerial's revenue on a quarterly basis with those results supported by the Company's financial statements. Alta Vista’s second quarter financials will be the first financials that contain revenues and they will be filed at the end of June, 2017.

About Alta Vista Ventures

Through its wholly owned subsidiaries - Pioneer Aerial Surveys and High Eye Aerial Imaging - Alta Vista Ventures is implementing its plan to become a full spectrum leader within the Unmanned Aerial Vehicle (or “UAV”) industry. Alta Vista will continue its growth through expanding the business of its subsidiaries and the continued evaluation of potential acquisition with the goal of creating a consortium of businesses that will cover all aspects of the UAV industry.
